Thés De La Pagode - Gourmet Teas - Thé Blanc - 100g From Thés De La Pagode

For over 20 years Thés de la Pagode, advised by local experts, selects China's best teas to bring you both the highest levels of quality as well as real health benefits. Each tea made by Thés de la Pagode is the result of unique and exceptional blending, working exclusively with qualified and experienced local experts to select the best leaves and create high-quality teas. All Thés de la Pagode teas are Organically Certified to justify their motto: Healthy Enjoyment.

Thés de la Pagode use imperial or fine picking methods: the young shoots or "pekoe" are picked in springtime, from small gardens high in the mountains. They are then prepared and preserved using ancient Chinese methods.

Delicately scented with orange blossom, this voluptuous white tea has a very fine base for a beautiful "Pai Mu Tan", which means "White Peony" in Chinese.

Once reserved for the Emperors of China, white tea is unique thanks to its manufacturing process, the leaves are not rolled or steamed but naturally dried to preserve their quality and flavor.
