Rumbas Flamencas... y mas. Rumba-Styles of the Flamenco

GuitarInstrumentation : guitarVersion : edition with CD + DVDDescription :

After the great success of his two-volume flamenco guitar method (ED 8253/8254), in this volume Gerhard Graf-Martinez deals specifically with the Hispanic American form of the varied flamenco: the Rumba Flamenca. It is with this style of flamenco that groups such as the Gipsy Kings hit the international charts and which has become the epitome of the flamenco to many people. In 'Gipsy Guitar', the author leads every interested guitar player safely into the world of the Rumba Flamenca, providing him with solo and accompanying techniques in the form of music, tablature and two brilliant CD recordings. Also available now is the bilingual DVD.
