100 Events in the History of Mexico Alejandro Rosas, Sandra Molina Arceo

- Impressive iconographic research of more than 300 images from public and private collections
- This is the ultimate guide the Mexico of the past and the present

With impressive research and more than 300 images from public and private collections, this book is an extraordinary collection of stories and events across history that have shaped Mexico, its culture, and its people. It covers such topics as the publishing of fundamental novels like *The Underdogs* and *Pedro Páramo*, the accomplishments of civil society such as the vote for women and the National University's autonomy, the impact of technological revolutions in Mexican culture, the railway, the Golden Age of Mexican cinema, television, and other happenings that successfully reconstruct every period from pre-Hispanic times to the present. Without a doubt, *100 Events in the History of Mexico* is a fascinating, comprehensive reference work. Text in English and Spanish.
