FACE ANATOMY ANDREA ALESSANDRINI

...How could we ever inject a product, insert a needle or a cannula into the various areas of a face if we did not have a deep knowledge of anatomy and in particular of mimic muscles, vessels and nerves? This text has some peculiar characteristics that can be synthesized in two words: clarity and immediateness in consultation. As we well know, in order to be able to undertake a targeted therapeutic program, regardless of the substance used, a deep knowledge of the anatomy of the face is needed.....
