To Heal a Fractured World: The Ethics of Responsibility Jonathan Sacks

One of the most respected religious thinkers of our time makes an impassioned plea for the return of religion to its true purpose as a partnership with God in the work of ethical and moral living.

What are our duties to others, to society, and to humanity? How do we live a meaningful life in an age of global uncertainty and instability? In *To Heal a Fractured World*, Rabbi Jonathan Sacks offers answers to these questions by looking at the ethics of responsibility. In his signature plainspoken, accessible style, Rabbi Sacks shares with us traditional interpretations of the Bible, Jewish law, and theology, as well as the works of philosophers and ethicists from other cultures, to examine what constitutes morality and moral behavior. We are here to make a difference, he writes, a day at a time, an act at a time, for as long as it takes to make the world a place of justice and compassion. He argues that in today's religious and political climate, it is more important than ever to return to the essential understanding that it is by our deeds that we express our faith and make it real in the lives of others and the world.

To Heal a Fractured World inspirational and instructive, timely and timeless will resonate with people of all faiths.

From the Hardcover edition."

Review

" I have rarely met anyone who combines spirituality, intelligence, wisdom, and compassion in quite the way Dr. Jonathan Sacks does. He has taught me so much about the Abrahamic faiths. He is truly a spiritual Master, which is why I believe he can be called Mahatma, or Great Soul."

--Professor Akbar Ahmed, Ibn Khaldun Chair of Islamic Studies, American University

" Upon receiving this latest volume by Rabbi Sacks, I appreciated again his well-deserved reputation for marrying high content to elegant style. There are no pious preachments here, and no self-conscious intellectual posturings. To Heal a Fractured World is carefully reasoned yet warm, intellectually engaging, and entirely quotable."

--Dr. Norman Lamm, Chancellor, Yeshiva University "From the Hardcover edition."
