Over 140 years after Birchall Graham was planting tea in Darjeeling, his family continue the unbroken tea tradition, he started. The present generation of the Graham family continue to produce and trade tea across international markets and the youngest members represent the fifth generation. Birchall's speciality Black Teas are all sourced exclusively from estates across East Africa - from Rwanda through to the Rift Valley in Kenya, where the very best teas are to be found. The company is based in London and has extensive interests in East Africa, including Trading offices and a 62,000 sq/ft tea factory in Mombasa, Kenya and the Pfunda tea estate, located in Rwanda.

Birchall Camomile is a classic herbal tea made from the scented flowers and leaves of the wild camomile plant. Camomile has long been prized for its relaxing qualities and is believed to restore natural balance by aiding digestion and promoting sleep.

A single cup of our smooth and soothing herb infusion helps you unwind, making it perfect in the evening just before bedtime. Our pursuit of quality ensures we only select the finest whole camomile flowers and it is these that give Birchall Camomile its delicate floral character, clear gold colour and mellow, sweet taste. Tranquility in a cup.
